

Hey SVE Crew...It's time to boogie at our annual **Groove-A-Thon** to support our totally awesome school! So mark your calendars for **Friday, September 15th from 9am to 11am** to watch our students get their groove on.

### **What is the Groove-A-Thon?**

It's our annual fall fundraising event that takes our kids outside to get active. They will get to jump in bounce houses, follow a Grandmaster in Taekwondo, participate in obstacle courses, learn some new funky dance moves, and more. And of course the dunk tanks will be back for students to dunk some of their favorite SVE staff members! Dress appropriately for the weather as we will be movin' and groovin' rain or shine! We ask that all students wear their yellow SVE Crew Shirt!

### **Why are we fundraising?**

Our community comes together to support our students and teachers directly in the classrooms. We will purchase classroom materials to support and enhance our EL Education, supplies and equipment for our Specials, continue to replace outdated projectors that are used with the interactive boards, and so much more. But we need your help to do it! Our goal is to raise \$45,000!

\*\*\*100% of your donations benefit students at Summit View Elementary\*\*\*

### **How are we collecting donations?**

Students will ask their sponsors for a single donation rather than an amount per lap. Sponsors should be family and friends and students should never go door-to-door. Donations can be made in cash, a check made payable to "SVE PTA" or online at [sverocks.com](http://sverocks.com) via Paypal.

Don't forget to check with your company to see if they participate in a charitable matching donation and ask for a matching gift form to maximize your dollars!

\*\*\*Suggested donations are \$100 per student or \$250 per family\*\*\*

### **When do we turn in our donations?**

As soon as possible, but we ask that students turn in their pledge envelopes no later than Friday, September 15th.

Watch for fun incentives for highest class participation and meeting our school-wide goal. We want to encourage our crew to all participate, no matter the amount. Every dollar counts!

### **Volunteer Opportunities**

Not only do we love to include parents and grandparents, we need you to make this a successful and fun event for the students! Please sign up at [www.sverocks.com](http://www.sverocks.com) if you are able to help!

### **Sponsors**

A HUGE Thank You to our wonderful 2017 sponsors: Active Athletics, Centerstage Starz Dance, Han Lee's Taekwondo, Highlands Ranch Soccer Association (HRSA) & The Brian Petrelli Team
