

Dear Summit View Community,

Who are your Heroes? Our outstanding faculty and staff continue to amaze us by providing a world-class education for each and every student at Summit View Elementary. The SVE Staff are our Every Day Heroes – Ordinary People doing Extraordinary Things! The contributions that you have made over the past several years have allowed us to keep these teachers, programs and opportunities available and have made Summit View an incredible place to learn.

SVE is committed to providing a curriculum to every child that includes art, music, STEM, library, physical education and technology, along with educational assistants. Providing these experiences costs significantly more than what the state and district provide. To ensure that we can continue these programs, SVE requires an additional \$80,000 of funding. Thanks to the community's support of the fall fundraiser, PTA is currently able to contribute \$40,000. This leaves us needing to raise an additional \$40,000 to continue these great programs. We are suggesting a donation of **\$100 per child or \$250 per family** to help meet this fundraising goal.

There are two ways to donate:

1. Online auction – exciting SVE Experiences will be available for you to bid on starting April 4<sup>th</sup>. These experiences will include activities with SVE faculty and staff, along with the ever-popular reserved parking spots and VIP seats at 6<sup>th</sup> Grade Continuation and Kindergarten Graduation. The online auction catalog is available for you to explore now at [www.sverocks.com](http://www.sverocks.com) and bidding will begin April 4<sup>th</sup>. The auction will close on April 11<sup>th</sup>.
2. Monetary donation – If the online auction does not peak your interest, or you are out-bid, we encourage you to complete the enclosed pledge card and return it with your donation to the SVE office no later than April 20<sup>th</sup>.

By offering two ways for you to donate, we hope that you will find an option that works for you. Realizing that every family's circumstances are different, we would like to encourage you to make a contribution that is comfortable for your family. Our goal is to have 100% participation! You have the power to help keep our Everyday Heroes here at Summit View Elementary!

Thank you for your support!
