First PTA meeting of the year!

September 12th, 845AM

MEETINGS ARE HELD THE 2ND
TUESDAY OF THE MONTH

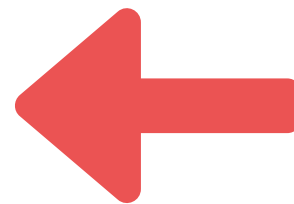

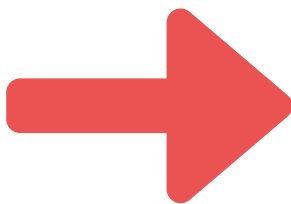

GAME ON!

We are kicking off our annual Fall Fundraiser and we need everyone to get their game face on and help us raise 50K for our amazing school.

District funding challenges and declining enrollment in the Mountain Vista Feeder Area create budget challenges here at SVE, therefore, supplementary funding is critical to ensure the best possible education for our students. 100% of the PTA fundraising efforts are used to fill these gaps.

Visit the PTA website to learn more about where PTA funds are spent at SVE.
